

COUNTY GOVERNMENT OF KITUI

OFFICE OF THE GOVERNOR

PUBLIC NOTICE

PUBLIC PARTICIPATION ON COMMUNITY LEVEL INFRASTRUCTURE DEVELOPMENT PROGRAMME (CLIDP) PROJECTS AND SAND DAM SITE PRIORITISATION FY 2026/2027

Pursuant to Article 196(1)(b) of the Constitution of Kenya, Sections 87 and 91 of the County Governments Act, 2012, and Section 125(2) of the Public Finance Management Act, 2012, the County Government of Kitui hereby notifies all residents and stakeholders of the forthcoming public participation forums for the identification and prioritization of Community Level Infrastructure Development Programme (CLIDP) projects, sand dam sites, and pro-poor fee support beneficiaries for **FY 2026/2027**.

The CLIDP process advances equitable development across all 40 wards and 247 villages, aligning with the County's sector priorities under the **Kitui Promise**. Similarly, the Sand Dam Programme, one of the flagship commitments of H.E. the Governor, Dr. Julius Makau Malombe, seeks to enhance water availability for domestic use, irrigation, and environmental conservation.

The selection and prioritization of projects under both programmes will be undertaken directly by the public during these forums. The Pro-poor Fee Support Programme provides financial assistance to economically disadvantaged pupils and students identified through public participation barazas.

The public participation barazas will be held concurrently across all 247 villages on **Wednesday, 23rd September 2026**, commencing at **9:00 a.m.** The respective Village Administrator will communicate the specific venue for each village meeting. All residents and stakeholders are urged to attend and actively contribute to shaping the development agenda of Kitui County.

Come, be part of the decision-making process that builds our county's future.

PETER GITONGA NKUNDA

County Executive Committee Member
